

## NOTES FROM THE MEETING

The meeting on 3rd June at the Camping Bar was very well attended.

Sue Jones hosted the meeting and mentioned that the membership was currently nearly 200. Sue then spoke about Don and Amelia Norris, Don was a founder member of the Asociación and Sue stated that the Committee had decided to make them life-members. She then returned their current years membership fee to them and presented Amelia with a plant. Sue then spoke about the recent trip to El Torcal which she referred to as a "lovely day out" and thanked Anne for her work in organising the outing.

Anne then spoke about the forthcoming events (see back page) and also mentioned a sponsored walk in aid of Cudeca which will be held on 12 July.

Sue then apologised for the non-appearance of Shaukat Kahn (Malaga artist) who was unable to attend.

Donna Fallon from connectdirect4property.com then gave a talk about their advertising company which allowed vendors to advertise their properties directly to the public without the need for an estate agent and, therefore, a significant saving. (See Donna's article on Page 12)

After Donna's talk there was a "Mr & Mrs" competition with Linda & Eddie Kemp taking on Elaine & Stewart. Each couple were asked 5 questions each about their partners and their answers were compared to those given by their partner. Linda was first and answered her 5 questions. However, Eddie's answers were slightly different and Linda score 1 out of 5! Eddie proved more knowledgeable about Linda and his answers were 100% correct!! Elaine was next up but again the ladies knowledge of their man fell down and she too scored 1 out of 5 (strange to relate but the only one which she got right concerned a Bunny Girl outfit..... Stewart scored slightly better with 2 out of 5! Our "host" Anne decided that based upon Lindas' answers she obviously didn't know Eddie that well and awarded the competition to Elaine and Stewart!

**(Let Anne know if you fancy taking part in this competition in the future!)**

The Money Box containing €196 was then drawn and despite yours truly (Ed.) having two attempts, the prize was not won. The prize of €278 will be drawn at the July meeting.

The meeting then drew to a close.

## THE QUADDIES

The Quaddies tell me that they have a few new members in their group and have four new CSR500 quads which are going very well. If all of the group go out together there will be 11 of them in total!

Their last trip took them from Venta Baja, across to Los Romanes and down via the river bed to Benamargosa for coffee. They then returned via Trapiche and over the hills past the Buddhist temple and the Atalaya before returning to Venta Baja.

If you would care to join them give David (951 167 131) or Derek (951 167 308) a call.
